CITROMAX installed its agro-industrial complex as well as the first plantations in the Province of Tucumán in 1964. Today, Citromax is one of the main citrus producers in Argentina. The company owns 4.500 hectares of lemon and 160 hectares of blueberries; from which 60 hectares correspond to Organic Fruit. Production totals 150.000 tons of fruit, with a processing capacity of 200.000 tons of processed fruit and a fresh fruit packing capacity of 35.000 tons; moreover, blueberries production is 1.5 million kilograms. For both crops, Citromax is a leader in the production of Organics.

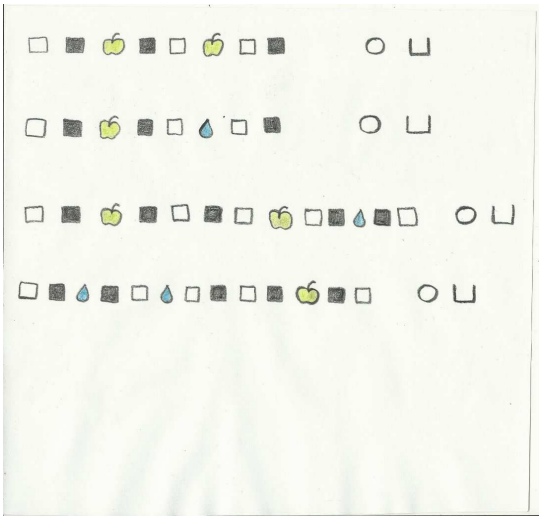
Contact 1	Mr. Ricardo Trapani (CEO) ricardo@fgftrapani.com.ar
Contact 2	Mr. Fabricio Trapani / fabricio@fgftrapani.com.ar
FGF TRAPANI is a company which for more than 60 years has been devoted to produce and trade fresh lemon and its by-products, and to a less extent, some other citrus as well. Thus, the company is a lemon supplier, growing steadily every year in domestic and international markets. FGF TRAPANI is supported by an important group of growers. Together they gather and process more than 100000 tons of lemon annually. This production is directed to fresh fruit industrialization and export.	

UNITEC S.A.	
Location on fairground	Hall 4.1 / A-10
Products: Sorting and packaging of fresh fruits and vegetables.	
Street / (PC) City / Province Phone / Fax E-mail / Web page	Tres Arroyos, 535 / (R8324JUK) Cipolletti / Río Negro 0054 2994 774044 / 0054 2994 77655 info@unitecarg.com / www.unitecarg.com
UNITEC is a company specialized in the design and manufacturing of technologies for processing, sorting, selecting and packing of over 35 kinds of fresh fruit and vegetables. Since 1924, UNITEC has been improving fruit and vegetable processing quality in countries all over the world. On the international level, UNITEC has a network of branches in some of the leading fruit- and vegetable-producing countries such as the U.S., France, Spain, Chile, Argentina, South Africa and Turkey. In 2002 UNITEC became the first company in its sector to obtain the ISO 9001 Certification for Quality Management Systems and, afterwards, both the OHSAS 18001 Certification for Occupational Health and Safety Management Systems and the ISO 14001 Certification for Environmental Management Systems.	


VICENTE TRAPANI S.A.	
Location on fairground	Hall 25 / C-33
Products: Lemons.	
Street / (PC) City / Province Phone / Fax E-mail / Web page Contact	Ruta Nacional 9 km 1308 / (4101) Los Nogales / Tucumán 0054 381 4506100 / 0054 381 4506125 vitra@vicentetrapani.com / www.vicentetrapani.com Mr. Andres Gonzalez (Commercial Manager - Director) andres.gonzalez@vicentetrapani.com
VICENTE TRAPANI was founded in 1935, starting as a small non-profit grove. By 1965, it had managed to establish itself as a company fully dedicated to the integral exploitation of lemon. Today, the company is an international referential milestone.
